On June 9, 2022, the offender's conditions of supervised release were reviewed by her assigned probation officer and she signed said conditions acknowledging an understanding of her requirements.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>

Special Condition #4: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: The offender is alleged to have violated special condition number 4, by ingesting a controlled substance, cocaine, on or about April 1 and 4, 2024.

On April 1 and 4, 2024, the offender submitted urine specimens at the U.S. Probation Office that returned presumptive positive for cocaine. In each instance, she denied new use of cocaine and stated she last used said substance on or about March 25, 2024. Both urine specimens were thereafter sent to the national laboratory and were confirmed positive for cocaine.

- 4 **Special Condition #4:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: The offender is alleged to have violated special condition number 4, by ingesting controlled substances, cocaine and amphetamine, on or about April 12, 2024.

On April 12, 2024, the offender submitted a urine specimen at the U.S. Probation Office that returned presumptive positive for cocaine, amphetamine and methamphetamine. She adamantly denied use of methamphetamine and claimed her last use of cocaine was on March 25, 2024. The urine specimen was thereafter sent to the national laboratory for further testing and it was confirmed positive for cocaine and amphetamine.

During a scheduled home visit on April 24, 2024, the offender admitted to the probation officer that she used methamphetamine and cocaine on or about April 14, 15, 17, 18 and 19, 2024.

- 6 **Special Condition #4:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: The offender is alleged to have violated special condition number 4, by failing to submit to urinalysis testing at Pioneer Human Services (PHS) on April 23, 2024.

The probation officer received email correspondence from PHS indicating the offender failed to report for urinalysis testing on April 23, 2024.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court, and that the Court issue a warrant.
